

2024 JULIA ROSÉ

From 100% direct-to-press juice, our 2024 Julia Rosé shows a gorgeous, pale salmon hue in the glass. Vibrant and bright, the nose overflows with notes of sweet honeydew, strawberries and refreshing watermelon. The jubilant aromatic profile gives way to an elegantly focused palate. Flavors of bright grapefruit layered with steely minerality are all framed in by firm acidity. The crisp, clean finish helps this versatile wine be at ease with a variety of tasty bites or all by itself.
